The Mount Vernon at Waverly Manor

Choose any available home site in Waverly Manor for this well-crafted and AFFORDABLE Westwood Home. The family room features a pre-fabricated wood burning fireplace with a slate hearth and matching mantle surround. The kitchen features Wellborn Select Arlington Square Oak cabinets with a custom laminate, beveled edge countertop and double bowl stainless steel sink. The kitchen also features a breakfast area and access to the separate Dining Room. Whether you need a place to work from home or you want a private area to relax, the Study is sure to be a favorite. Upstairs you will find three spacious bedrooms and two full baths (one of which is a master suite featuring a soaking tub and separate shower.) Well and Septic are allowances and subject to change.

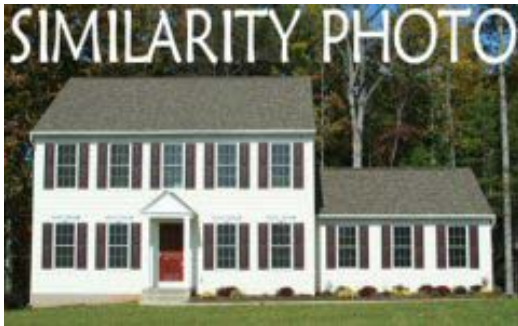

Other homesites and plans available. This is an example of what we can build here, but these are NOT the only homes that we can build. We are a custom builder and can build virtually any home!
